

ACTING UP!

(For those with additional needs or disabilities)

LET'S GET PHYSICAL!

ages
14-18

Join up this term to explore physical theatre. By using our bodies and voices we can go anywhere and do anything! Who needs scenery?! Need an exploding rocket in space? No problem! Want volcano sucking giants? You got it! We will devise our own incredible story and bring it to life, using only our bodies. In the second half of term we will turn our attention towards the Summer show. So let's get physical!

Wednesdays, 6pm-8pm

WORK OUT!

ages
19-24

This term, young adult members of Acting Up! dig deep to uncover their own identity, interests and voice as a performing ensemble, whilst also touching on a wider range of theatre-related work. The main focus is acting, directing and devising or writing, but we also will explore what other jobs go into making successful productions such as design, lighting, wardrobe, stage-management, marketing, administration, sound and choreography. By half-term, we aim to have decided on our Summer Production and begin to cast, script and rehearse ready for an earlier production-date in mid-June. Expect a term like no other - exciting times!

Wednesdays, 7.15pm-9pm

Wednesday 8th January – Wednesday 1st April
(except half term - Wednesday 19th February)

Cost: £70 (Bursaries are available, please ask)

Acting Up is run like any other high-quality Youth Theatre - you do not need to audition to get in - you just need an interest in drama. Sessions are run at a pace to suit the needs and abilities of our members; extra support is available through a higher ratio of skilled staff and volunteers to members. Please contact Abi on 01904 655317 or youth.theatre@rltc.org for more details.

YOUTH THEATRE BURSARY FUND

WALL STORIES

School yrs

Every Tuesday Evening

The walls of York. We've all seen them, they shape how we use the city, but what do we actually know about them and their history? This term we will be using our devising, writing and improv skills to create performances about the city's defenses, while working in the walls themselves! We will uncover stories of murderous plots, treason and war, and ask the question - what do these walls mean to us? The term will culminate in a sharing of our work to an invited audience.
